Dear Parents and Neighbors:

Have you visited any of your local public schools lately? If you haven't, you should.

Every day thousands of students attend school on Orange Unified (OUSD) school sites. Although well maintained, many of our school facilities are now 40 to 60 years old and have NEVER been renovated.

Our 2014 school bond proposal narrowly lost, falling less than 200 votes short of the threshold to pass. While disappointing, we continue to seek opportunities to reach out and listen even more carefully to OUSD parents and voters to help us develop a proposal that our community can support.

Accordingly, I want to invite you to attend one of four OUSD Town Hall Meetings hosted by our local high schools, for an important conversation about your schools. As OUSD parents, residents and taxpayers, you own these schools. Your opinions are important to us. Please—make time to attend. **We are listening!** Thank you.

Sincerely,

Michael L. Christensen
