

**IMPERIAL ELEMENTARY SCHOOL
POLICIES AND PROCEDURES
2017-2018**

The staff of Imperial Elementary has high expectations for student behavior, and strives to develop self-disciplined and responsible citizens. Studies of effective schools prove that learning occurs best in a well-organized, orderly environment. To assure such an environment, we have developed this discipline plan which includes both the classroom and the playground.

Outstanding desired character traits are highly visible on our “Pyramid of Success” wall in the main entrance of the school. Each month a particular character trait is featured school-wide. Everyone on our campus is expected to work on developing and upholding these character traits and strive to reach their “Personal Best”. Students receive “Pyramid of Success” coupons and can be selected by their teachers to meet with the principal for special recognition each week.

Recognizing that behavior is maintained by knowledge of consequences, Imperial’s program is designed to encourage, teach and strengthen appropriate behavior and to modify or eliminate inappropriate behavior. Through a variety of classroom recognition and incentive programs, children are positively rewarded for their efforts. Negative consequences result if children choose not to comply. Negative consequences may include specific reminders and warnings, behavioral contracts, loss of privileges, and referral to the principal for counseling and further disciplinary action. Suspension may also be necessary.

Parental support is needed and essential to encourage children to comply with school rules and procedures. The Imperial staff is eager to work closely with parents to teach and maintain responsible student behavior. Through written and oral communication with your child’s teacher and compliance with the school wide and classroom discipline plans, you will remain well informed and actively involved in your child’s education.

Please review this plan with your child. Thank you for your support and cooperation.

<p style="text-align: center;">TARDINESS</p>	<p>The school day begins promptly at the scheduled time for your grade level. Students who arrive late to school must check in at the school office where they will be issued a tardy slip before going to their classroom. Parents will be notified of repeated tardies and may be referred to the <i>School Attendance Review Board</i>. Please support a learning environment that is successful for all students by ensuring your child is not late arriving to class. Students in the upper grades with excessive tardiness may be assigned consequences such as lunch or after school detention.</p>
<p style="text-align: center;">TELEPHONE USE BY STUDENTS</p>	<p><u>Students may use the office phone only in an emergency.</u> Please have a standard arrangement for daily student pickup including rainy days, etc. which does not involve calling home.</p> <p><u>Cell Phones.</u> Students may possess a cell phone, but they must remain off and in their backpack or the designated location during school hours and until they are picked up or after they depart from school. Toys taken away by the principal will be placed in the <i>June Box</i> and will not be able to be returned until the end of the year</p>

<p style="text-align: center;">VISITING SCHOOL</p>	<p>All persons entering the school building or playground are required to register in the school office before proceeding. It is advised for you to have your student walk with another child at all times. Encourage your child to come straight home from school and report to a responsible adult. Some parents have found it helpful to set an estimated time of arrival home from school.</p> <p><u>The school discourages the use of the public library as a childcare facility.</u> Students are not well supervised and therefore this is not in the best interest of your child. Please visit the public library website to review standards for student behavior when using the public library.</p>
<p style="text-align: center;">WEAPONS</p>	<p>Children may not bring objects such as firearms, pocket knives, box cutters, fingernail clippers with a knife blade, or any other dangerous object or look-alike dangerous object to school. Please ask your children to check with you for approval before they bring any questionable object on school grounds. A conversation with an adult can provide wisdom in resolving a student’s problem before it becomes a student crisis. As a parent/guardian, please make it a habit to check backpacks on a regular basis to avoid any unfortunate situations.</p> <p>Children who choose to bring dangerous objects, create a facsimile of, or use an object in a dangerous fashion at school or school activity are choosing to no longer attend their school and are choosing to be expelled from the Orange Unified School District. Keeping our school safe, secure and peaceful is everybody’s responsibility. Please discuss these important issues with your children.</p>
