**CAMP TOPICS FOR 2010!**

**MYSTERY OF THE PHAROAH'S TREASURE**  
Journey to the land of the pharaohs to solve a mystery and unearth two long-forgotten treasures! Decipher hieroglyphics, investigate the secret of the sands, use astronomy to predict the burial site of a mummy, and take home a share of the gold. Full-Day campers will become geologists and build a take home rock collection as they solve the riddle of the Sphinx and reveal a crystal treasure. Take a step back in time to unravel this mysterious Egyptian adventure!

**Go WILD!**  
Leap into the wild on an awesome adventure to investigate extreme plants and amazing animals. Build a nature kit complete with binoculars, bug cage and telescope. Meet live animals face-to-face during our amazing Animal Encounter! Stay a full day to take part in the Animal Olympics, make glowing fire flies, sticky octopus arms and more. Get ready to explore the world outside your door—it's time to Go Wild!

**SPACE AND ROCKETRY 2010**  
Get pumped up for some space exploration! Build a brand new, state of the art hydro-rocket. Using the power of air pressure and water, launch your very own rocket over 100 feet into the air. Then take a trip around the universe by building a light-up solar system and a model of your galactic address. Stay a full day and get loony about the moon. Build your own motorized K'Nex motorized Lunar Rover and make craters with marble meteorites!

**GIZMO'S ROBOT FACTORY**  
Investigate what makes a robot tick as we take a robot's-eye view in 3-D, listen with electronic ears, and prepare to compete in the Robo-Olympics. Build a giant walking motorized K'Nex robot! Stay all day and build a robot model with 5 robot technologies, create a crazy invention, and discover how robots are changing the face of our world. Power up for fun and discover the secret lives of these extreme machines!

### Fast, Fun Futbol!

Register NOW for Orange Junior Soccer Club's 4v4 Program!

Visit us at [www.ojsc.org](http://www.ojsc.org) or contact Julie Beckman at [julie.beckman@ojsc.org](mailto:julie.beckman@ojsc.org) for more information!

The 4v4 season runs from February to April. Games are played on Sundays. There are no scores, no standings and no practices. 4v4 is just games – fun, fast games.

"4v4" is a small-sided soccer game --four players from each team on a miniature field. Because there are fewer players and a smaller field everyone has tons of touches on the ball and chances to score! The game is played at a much higher pace which helps players hone all of the soccer techniques and tactics.
