OUSD Celebrates Principal for a Day

ORANGE, Calif., March 24, 2010–The Orange Unified School District is celebrating Principal for a Day today throughout its campuses. The event partners a community member with a school principal to shadow them throughout the morning at their school site. The purpose of Principal for a Day is to foster relationships within the community and to share the outstanding work of OUSD teachers, students and staff. A brief reception was hosted at the District Office this morning welcoming the Principals for a Day. Refreshments and decorations were sponsored by the Orange Education Foundation and the Original Pancake House.

Renae Dreier, Ed.D., Superintendent of Schools for the Orange Unified School District, welcomed the group by saying, "It is critical for our organization to build strong, lasting relationships with our community members and you are a big part of that."
