

WEDNESDAY, MARCH 4TH, 2015 @ 5:00 PM
SPANISH IMMERSION
PARENT MEETING

We will be accepting Kindergarten applications for the 2015-2016 school year. The iInspire Academia at California Elementary School will be an innovative and premier one-to-one iPad program that seamlessly infuses 21st century learning and technology into a Spanish Immersion curriculum. Students will learn to be bilingual and biliterate in both English and Spanish while mastering 21st century skills. Students will have the opportunity to continue their language skills in middle school and high school and have the honor to earn

college credit by taking Advanced Placement (AP) courses in Spanish. Students will graduate with a Seal of Bi-literacy on their diploma and college transcripts. Students will enter the workforce with 21st century skills and will be prepared to communicate and collaborate with the over 500 million people worldwide that speak Spanish. Space is limited and the program will be offered after 30 students have committed to enrolling.
