Vikings Promote Kindness On Social Media

Cerro Villa Middle School Vikings have started the year committed to following our motto: Choose respect, Value yourself and others, Make it safe, and Strive for success....CVMS. Led by our Leadership students, we have started a new campaign on campus called #CTRL-ALT-DELETE Cyber Bullying. Students are encouraged to become a leader by leaving a positive digital footprint for others to follow. Students help prevent cyber bullying by controlling what they do on social media, altering or stopping improper activity and deleting or blocking inappropriate users. Thumbprints were placed on friendship trees as a representation of their pledge to participate in positive social media at CVMS. Our Vikings are making a difference!
